

REP. DAN DEASY'S EMPLOYMENT CENTER!

EMPLOYMENT CENTER

To help constituents seeking employment, I am happy to offer the use of my Employment Center located in my district office at 436 S. Main St. in the West End.

My center includes a computer that allows you to access a list of employers looking to fill job vacancies. The computer also offers quick access to information on transportation, developing a resume, tips on interviewing, and more. This computer is available to the public for job searches and job preparation only. We also have an information rack on useful information when seeking employment.

Call my office at 412-928-9514 to schedule a one-hour time slot to utilize our Employment Center computer or visit my website at www.pahouse.com/deasy/employment_center
